SKU: 65C5B3D4

Price: \$21.99

Category: [Medical Supplies](#)

Instructions for Use

1. After removing your cast protector from the box, unfold completely.

2. Pull SEAL-TIGHT® Freedom over cast by stretching diaphragm opening with thumbs DO NOT apply by pulling on rubber diaphragm.

3. Push the diaphragm toward the cast so the inner edge of rubber points up and away from cast.

4. To Remove: Dry rubber diaphragm and stretch diaphragm to ease over heel or elbow. DO NOT remove by pulling on the bag.
